ACTIVITY 2 :

Title of the Activity: Hardware Workshop

Need of the Activity: The objective of a computer hardware workshop for rural school students is to introduce them to basic computer components, assembly, and maintenance. By learning hands-on skills, students gain confidence in handling hardware, diagnosing issues, and performing simple repairs. This workshop aims to spark interest in technology careers, bridge the digital divide, and empower rural youth with practical skills that enhance both academic and career opportunities.

Brief Description (Need/Impact/Action/Picture (if any)) Today, the members of the Community Outreach Club of Vinayak Vidyapeeth Modipuram organized a workshop on computer hardware for the students of Adarsh Public School of Samoli village, which was adopted under the Unnat Bharat Abhiyan. The outreach club members gave detailed information about computer hardware to the students of the school, in which they were told in detail about CPU, monitor, mouse, keyboard and scanner etc. The students also asked many types of questions to the members, which were answered by the members and satisfied them. During this, the Principal of Adarsh Public School Devendra Sharma and Outreach Club Coordinator Reema Vikal, Praveen Sharma, Urvashi Kamboj, Vidushi Sharma and BCA second year students Hrithik, Archana Chauhan, Sumit and Khubi Chauhan were present. For this workshop, the Principal of Vinayak Vidyapeeth Dr. Anuprita Sharma, Director Engr. Vikas Kumar encouraged the outreach club members and inspired them to organize such workshops for students in other adopted villages in future.
