Note :-

1. Examination and counseling fees of MBA and BTech courses are included in the tuition fee.
2. In all other courses except MBA and BTech, examination fee, practical fee, scout fee, project file fee are excluded from the tuition fee.
3. If the staff takes admission in any course, then there is a provision of 25% discount in tuition fees only.
4. If a student deposits 100% of his fees in lump sum at the time of admission or within a week of admission, then a cash discount of Rs 1500 for traditional course and Rs 3000 for professional course has been made in his/her tuition fee.
5. If the marks of newly admitted meritorious students are 80% or above, then there is a provision of 25% tuition fee waiver in the first year and for students who have scored 90% or above, there is a provision of 50% fee waiver.
6. In case of a single parent, a provision of 25% rebate in tuition fees has been made to the student.
7. All the above exemptions will be given only after verification of related evidence.
8. A student can avail maximum benefits in only two of the above discount categories.
9. It is mandatory for every student to deposit 5000 fees at the time of admission, 50% within the next one week and 100% within the next one month.
